

DALEY

Intermediate auditor

Daley is one of Wollongong's largest Chartered Accounting firms and has provided business and financial services to clients for more than 60 years.

Over this time, Daley's experienced, highly credentialed partners and senior team have guided many young professionals, launching successful careers in public accounting and commerce.

A genuinely turn-key professional services firm, Daley offers a comprehensive range of services covering accounting & tax, audit, financial planning, SMSF and finance.

Daley's goal is to develop you, the intermediate auditor, into a competent professional and eventually a subject matter expert.

Daley have created a productive learning environment. You will be surrounded by peers who have 'walked in your shoes'; like-minded professionals who share knowledge and help.

You'll be provided with all the tools and environment to grow and do great work, like modern offices, ongoing training and development programmes, support to create a balanced life and opportunity socialise with colleagues.

Daley promotes a real sense of team while recognising individual ability and effort. The work and clientele offer incredible diversity to challenge you intellectually and test your people skills.

We invite applications from people currently studying a Bachelor of Commerce (Accounting) or who have commenced their Chartered Accountants Program, who have already started to consolidate their academic learning with some practical experience.

Achieve together with Daley.
